SUBJECT: POSTPONEMENT OF ANNUAL GENERAL MEETING

As you are aware, the World Health Organisation recently announced a global pandemic associated with the spread of the Covid-19 virus and the Government of Trinidad and Tobago has announced several measures intended to contain the spread of the virus in this country. One of these relates to the avoidance of public gatherings in excess of 25 persons at this time.

In an effort to comply with these difficult but much-needed measures and after consulting with the Cooperative Credit Union League, the Board of Directors of the NERC has decided to postpone the Annual Meeting originally scheduled for March 25th, 2020. We believe that this decision would ensure the protection of the health and safety of our members and other stakeholders and limit their exposure to the virus.

We thank our member units for their co-operation at this time and will advise that the meeting will be rescheduled at the earliest date possible.

Co-operatively yours

Gloria Rolingson
